Department of Labor – Feedback

“I wanted to thank you both for BIG's presentation on close-out at our workshop last week. Emily did a wonderful job. She was clear in her directions and even added a nice humorous touch--which was much appreciated at the end of a long week! Our grantees greatly appreciated her clear guidance and the chance to put a face to the BIG emails on close-out. Again, many thanks!”

“Please extend my thanks to Barbara at Big Enterprises for the work Ron has done while under me. He has been a true asset to our section and I really appreciate his efforts. THANKS.”

“I can't thank you enough!!”
