Dear Ms. Harris:

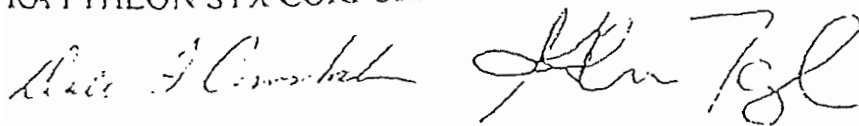

I wanted to write you a short note regarding my interaction over the last year with Ms. Barbara Schrader and Mr. David Credle of the Cameron Consulting Group.

Raytheon STX Corporation ("RSTX") had four contracts with unliquidated balances – one of which had slipped between the cracks and two with expiring funds issues. Ms. Schrader and Mr. Credle were the points of contact on these contracts and despite many obstacles, they were successful in expediting final payments as well as administrative closeout prior to expiration of funding.

In my many years of dealing with numerous Government agencies, I have never had the pleasure of dealing with individuals as knowledgeable, efficient, and proactive as Ms. Schrader and Mr. Credle. They are truly assets to the FAA and Mr. Nozick and I look forward to working with them in the future.

Should you have any questions or require any further information, please do not hesitate to contact either myself or Mr. Nozick at (301)216-2060 or (301)896-0259 respectively.

Sincerely,  
RAYTHEON STX CORPORATION
