

Assistant Commandant for Acquisition (CG-9)
Chief Acquisition Officer (CAO)
United States Coast Guard
Washington, D.C. 20593-0001

OCT 21 2008

Dear BIG Enterprises, Inc.,

I commend your employee, Mr. Myles Rogers, for his outstanding dedication to the Coast Guard Rescue 21 project team in support of the base period contract extension effort.

Working with project leadership, he tirelessly attended multiple reading sessions and reviewed cost approach alternatives with the prime contractor. His efforts assisted with the development of an excellent Statement of Work/Performance Specification, eliminated three months from the original plan, and made on-time contract award possible at the best possible value to the Coast Guard. The base period extension ensured the continued deployment and support of the Rescue 21 system.

His technical talents and positive attitude exemplify the Team Coast Guard approach. Thank you for your outstanding support. Bravo Zulu (well done)!

Sincerely,

A handwritten signature in black ink that reads "G. T. Blore". The signature is written in a cursive style.

G. T. Blore
Rear Admiral, U.S. Coast Guard
